

VELMORE HOTEL ESTATE

Website Onboarding Pack

Prepared for the Velmore team by Bbettr Agency

Welcome — and thank you for trusting us with the new Velmore website.

We've already done the heavy lifting: we've studied your current site, your venues, your reviews, your market and your competitors. **This pack isn't a blank questionnaire — it's mostly us showing you what we already know and asking you to confirm or correct it.**

How to complete this pack

- Type into the lines and cells, or print it and write on it — whatever's easiest.
- Confirm what's right, and simply correct anything that's wrong or out of date.
- Where you already have a document (menu, price list, brochure, floor plan), just attach it — please don't retype it.
- It should take about 20–30 minutes, and you don't have to do it all at once.
- If in doubt, leave it and we'll cover it on a quick call.
